

On behalf of the Smart Data Models Program

we want to thank for your contribution to the data models in the subject

[OpenChannelManagement](#)

To:

Panagiotis Kossieris

From the organization:

National Technical University of Athens (NTUA)

Thanks for helping SDM to release these data models with a license allowing:

- The free use of the data models
 - The freedom to modify the data model
 - The freedom to share the modifications
- with attribution to their authors
